

We believe that to seek and find solutions to humanity's greatest challenges demands a bold and imaginative approach.

We bring together a diverse and exceptional scientific community, who will rise to those challenges, in a culture and environment that fosters creativity and rewards bold, ambitious thinking.

and visitor information

Wellcome Genome Campus
Hinxton
Cambridge
Cambridgeshire
CB10 1RQ
Tel: 01223 496815

FIRE
If you discover a fire, sound the alarm by breaking the glass of the nearest call point.
—
DO NOT attempt to extinguish the fire.
—
On hearing the alarm, stay with your host whenever possible
—
DO NOT USE LIFTS.
—
DO NOT RETURN until instructed by the Assembly Warden at the assembly point.

There are evacuation chairs on site. If you have a disability that prevents you from evacuating via the staircase please advise security when you arrive.
—
Fire alarms are tested every Wednesday between 08.30am and 12.00pm.

SAFETY SIGNS
There are Health and Safety signs displayed throughout the Campus; please familiarise yourself with the following colours and styles:
—
Green Rectangular or Square are used to indicate emergency escape routes, the location of emergency equipment and positions of safety.
—
Blue Circle signs indicate specific behaviour or action that is required.
—
Yellow Triangular signs indicate a hazard present.
—
Red Circle with a line across indicate actions which are not permitted.

SECURITY
Please wear your visitors badge and ensure that it is clearly visible at all times.
—
CCTV is used on Campus for security and monitoring purposes.
—
Cameras, donres or video equipment should not be used on The Genome Campus without prior permission.
—
DO NOT leave packages, bags or briefcases unattended.
—
Eating and drinking is confined to the restaurants and cafeteria areas.

CHILDREN
Children under the age of 16 must be accompanied by an adult at all times. Permission to bring children on site should be gained from your host's Institute management.
No nursery facilities are available to visiting children.

SMOKING
Smoking is only permitted in the designated areas around the Campus. Ask your host should you need to use one.

WIRELESS ACCESS
Computer wireless access is available to visitors. Please ask at the Security Reception.

PEDESTRIANS
Please ensure you use the designated pathways throughout the Campus and take extra care when in the car parks.

TRAFFIC
All drivers must adhere to the site traffic regulations and must not exceed the speed limit of 10 mph.

The Wellcome Genome Campus is home to some of the world's foremost institutes and organisations in genomics and computational biology, committed to delivering life-changing science with the reach, scale and imagination to solve some of humanity's greatest challenges.
